Here is what a competitor of Sean's said about him:

> "Sean's enthusiasm is infectious. He cares about his kids and his school as much as anybody I have ever met. He is still a big kid when he is around his players, and they love that. What gets overlooked sometimes, though, is that Sean is an excellent developer of talent and a great tennis coach. He takes what he is given and maximizes it on the courts. Congrats on a truly well-deserved honor."
