2021

Dear Members:

First and most importantly, I hope this email finds you healthy and well.

Hope the winter break treated you well and you are ready to tackle 2021. What an insane 2020 we just completed? Crazy to think of all the things that happened.

As we enter 2021, I want you to know we are working with the IHSA to ensure that our boys' season stays intact. Susie Knoblauch and I have talked every other week since the girls season has ended. As you have probably read, there is a standstill between the Governor's office and IHSA. There really has been zero movement! I will send out a quick email after each of our conversations.

As always, please do not hesitate if you have questions to email, to text or to call me.

SUMMER CAMP

Hello High School Coaches!

Registration opened for the always-popular Warhawk Tennis Summer Camps today. We are almost sold out for sessions 2 and 5 (probably will close by the end of the workday today or tomorrow), so help spread the word that we have openings in sessions 1, 3, 4. They can sign up at <https://www.uww.edu/ce/camps/athletic/tenniscamps>

We also have a handful of spots for our tremendous college prep camp if you have some high level players that are looking to play college tennis.

Here are some of the changes we will be incorporating in summer 2021 due to COVID concerns:

- We will be using a couple different dorms to allow for everyone to have their own rooms
- We will likely be working with smaller groups
- Camps will run from Sat-Thurs (instead of our normal Sun-Fri) because housing needs a weekday to allow for the deep clean and prep they are planning between sessions.

Thanks and GO WARHAWKS!!
