

All-State Nomination Form

Help the **Illinois High School Tennis Coaches Association All-State Committee** recognize outstanding players. Please nominate individuals that you feel merit consideration for the All-State team. The team is primarily based on performance at the State Tournament, however, we encourage you to nominate players that either did not qualify or had a particularly challenging state draw, if you believe they are deserving of consideration. Please note rationale which may include: injury, tough sectional, wins over other All-State selections, etc.
