

Hall of Fame Inductee

Mike Terry - Quincy

In some towns, there is one person that is “the tennis guy.” In Quincy, that guy is Mike Terry. Over the last three decades, he has coached the boys and girls at Quincy High, directed tennis programs at the Quincy Country Club, and assumed the role of president of both the IHSTCA and MITA. He has done it all with great successes but also with a humbleness and genuineness that make him a friend to all and a foe to none.

Here are some of Mike’s accomplishments with the Blue Devils of Quincy High:

- More than 600 wins and counting
- 7 top 25 finishes at the state tournament
- 14 sectional titles and 27 all-state players
- 2005 IHSTCA Coach of the Year
- 2013 NFHS Illinois Coach of the Year

Coach Terry is a player’s coach and has a coaching philosophy of “love the game first and understand that it truly is a lifetime sport that can take you around the world.” His top memories involve “being together and driving thousands of miles, spending countless nights every year in hotels . . . these are the times I will remember the most.”

Congratulations, Mike, and welcome to the IHSTCA Hall of Fame!
