

All-State Nomination Form

Please help the **Illinois High School Tennis Coaches Association Boy's All-State Committee** recognize outstanding players. Please nominate individuals that you feel merit consideration for the All-State team. The team is mostly based on performance at the State Tournament. We would like you to nominate players that either did not qualify or did not play well, but you believe they deserve consideration. Please note the reason such as: injury, tough sectional, etc. A major consideration if the player has wins over other players who receive all state recognition.

(Please Print)
